RULED OUT OF ORDER

## HOUSE MOTION \_\_\_\_\_

MR. SPEAKER:

I move that House Bill 1001 be amended to read as follows:

- 1 Page 166, between lines 1 and 2, begin a new paragraph and insert:
- 2 "SECTION 166. IC 2-2.1-4 IS ADDED TO THE INDIANA CODE
- 3 AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE
- 4 JULY 1, 2007]:
- 5 **Chapter 4. Budget Bills**
- 6 **Sec. 1. As used in this chapter, "general appropriation" refers**
- 7 **to an appropriation described in section 10 of this chapter.**
- 8 **Sec. 2. Except as provided in sections 4 and 5 of this chapter, all**
- 9 **of the general appropriations enacted by the general assembly for**
- 10 **a state fiscal year, including appropriations for a state fiscal year**
- 11 **made by a continuing appropriation enacted in any law, are void**
- 12 **if the total of the general appropriations for the state fiscal year**
- 13 **exceeds ninety-nine percent (99%) of the state revenue that the**
- 14 **budget agency estimates under section 6 of this chapter will be**
- 15 **available in the state fiscal year to pay for the appropriations. This**
- 16 **section applies to all the general appropriations enacted for a state**
- 17 **fiscal year regardless of whether the appropriations were enacted**
- 18 **in the same bill or in the same session of the general assembly.**
- 19 **Sec. 3. The general appropriations enacted in a budget bill (as**
- 20 **defined in IC 4-12-1-2) are void if:**
- 21 **(1) the bill includes appropriations for a state fiscal year,**
- 22 **including increases in the appropriations for a state fiscal**
- 23 **year, that total at least one hundred million dollars**
- 24 **(\$100,000,000); and**

(2) the last version of the bill available to and voted on by each legislator or, if a later conference committee report was adopted for the bill, the last conference committee report available to and adopted by each legislator does not include the following information on the first or second page of the bill or in the bill's digest or synopsis:

(A) A materially accurate and complete explanation indicating the dollar amount of the surplus or deficit resulting from subtracting the total of all general appropriations made for each state fiscal year affected by the bill or the bill's conference committee report from the estimate of state revenue for that state fiscal year.

(B) A materially accurate and complete explanation indicating the percentage of the state revenue for each state fiscal year affected by the bill or the bill's conference committee report that is appropriated for general appropriations payable in that state fiscal year.

Sec. 4. Sections 2 and 3 of this chapter do not void an appropriation for a purpose described in IC 4-10-15 for which expenditures may be made without the enactment of an appropriation.

Sec. 5. (a) An appropriation that otherwise must be considered in complying with section 2 or 3 of this chapter shall be excluded from all computations related to determining compliance with section 2 or 3 of this chapter only if:

(1) the general assembly, in a regular session, authorizes an emergency appropriation by enacting a supplemental appropriations act that contains all the statements described in subsection (b); and

(2) the act is approved by a two-thirds (2/3) majority of the house of representatives and a two-thirds (2/3) majority of the senate.

(b) To satisfy subsection (a)(1), an act must contain the following:

(1) A statement describing which appropriations in the act are excluded from the application of sections 2 and 3 of this chapter.

(2) A description of the additional amount of emergency appropriations and an explanation of the specific circumstances that created the need for a supplemental appropriation.

Sec. 6. (a) For each state fiscal year, the budget agency shall compute an estimate of state revenue using the formula established in section 7 of this chapter. An estimate for the two (2) years of a biennial budget period shall be computed before December 31 of the even-numbered year immediately preceding the beginning of each budget period. The first estimate required under this

subsection is the estimate for the budget period beginning July 1, 2009, which shall be computed before December 31, 2008.

(b) For the second state fiscal year in a budget period, the budget agency shall revise the estimate of state revenue using the formula established in section 7 of this chapter. The revision of the estimate for the second year of a budget period shall be prepared before December 31 of the odd-numbered year immediately preceding the second state fiscal year in the budget period. The first revision required under this subsection is the revision for the second year of the budget period beginning July 1, 2009, which shall be computed before December 31, 2009.

(c) The budget agency may revise an estimate calculated under subsection (a) or a revised estimate calculated under subsection (b) after the estimate is distributed. A revision under this subsection must be prepared not later than fifteen (15) days before either chamber of the general assembly adjourns a session sine die.

(d) The last estimate computed under this section and distributed under section 8 of this chapter before the adjournment of a session sine die applies to all appropriations enacted before the end of that session.

(e) The last estimate computed under this section and distributed under section 8 of this chapter before a version of a bill or a later conference committee report for a bill is printed applies to all appropriations affected by that version of a bill or a bill's conference committee report.

**Sec. 7. The estimated state revenue for a state fiscal year is the amount determined under STEP THREE of the following formula:**

**STEP ONE: Determine the general revenues available for the state fiscal year, which is equal to the estimated revenues from all sources that are:**

(A) forecast by the revenue forecast technical committee to be received in the immediately following budget period; and

(B) required by law to be deposited in the state general fund or the property tax replacement fund;

including revenues from gross retail taxes, utility receipts taxes, adjusted gross income taxes, cigarette taxes, taxes on alcoholic beverages, riverboat wagering taxes, riverboat admissions taxes, inheritance taxes, insurance premium taxes, financial institution taxes, interest, and other miscellaneous income other than revenues described in section 10 STEP TWO of this chapter.

**STEP TWO: Determine the total of net adjustments to be made to the general revenues for the state fiscal year, which is the amount determined under clause (I) of the following formula:**

(A) Determine the disproportionate share and enhanced

disproportionate share revenues that will be received by the state in the state fiscal year.

(B) Determine the interfund transfers to be made from the build Indiana fund to the state general fund or the property tax replacement fund in the state fiscal year.

(C) Determine the interfund transfers to be made from the counter-cyclical revenue and economic stabilization fund to the state general fund or the property tax replacement fund in the state fiscal year.

(D) Determine the sum of the amounts determined under clauses (A) through (C).

(E) Determine the interfund transfers to be made from the state general fund or the property tax replacement fund to the build Indiana fund in the state fiscal year.

(F) Determine the interfund transfers to be made from the state general fund or the property tax replacement fund to the counter-cyclical revenue and economic stabilization fund in the state fiscal year.

(G) Determine the amount included in the amount determined under STEP ONE that results from any of the following:

(i) An extraordinary nonrecurring transfer into the state general fund or the property tax replacement fund from a source other than the state general fund or the property tax replacement fund. For purposes of this item, generally accepted accounting principles apply in determining whether a transfer qualifies as extraordinary.

(ii) A distribution from the federal government that may be expended without an appropriation by the general assembly, other than a distribution described in clause (A).

(H) Determine the sum of the amounts determined under clauses (E) through (G).

(I) Subtract the amount determined under clause (H) from the amount determined under clause (D).

**STEP THREE: If:**

(A) the STEP TWO amount is zero dollars (\$0), the estimated state revenues for the state fiscal year is the STEP ONE amount;

(B) the STEP TWO amount is greater than zero dollars (\$0), the estimated state revenues for the state fiscal year is the sum of the STEP ONE amount and the STEP TWO amount; and

(C) the STEP TWO amount is less than zero dollars (\$0), the estimated state revenues for the state fiscal year is the result of the STEP ONE amount minus the absolute value

1 of the STEP TWO amount.

2 **Sec. 8. (a)** Not earlier than December 1 and not later than the  
3 first session day of the general assembly after December 31 of each  
4 even-numbered year, the budget agency shall submit in an  
5 electronic format under IC 5-14-6 to the executive director of the  
6 legislative services agency a report that includes at least the  
7 following information:

8 (1) The estimated state revenue for each of the state fiscal  
9 years in the immediately following biennial budget period.

10 (2) The supporting data and calculations necessary for a  
11 person to independently verify the manner in which the  
12 estimates of state revenue described in subdivision (1) were  
13 determined.

14 **(b)** Not earlier than December 1 and not later than the first  
15 session day of the general assembly after December 31 in each  
16 odd-numbered year, the budget agency shall submit in an  
17 electronic format under IC 5-14-6 to the executive director of the  
18 legislative services agency a report that includes at least the  
19 following information:

20 (1) The estimated state revenue for the second state fiscal year  
21 in the current budget period.

22 (2) The supporting data and calculations necessary for a  
23 person to independently verify the manner in which the  
24 estimate of state revenue described in subdivision (1) was  
25 determined.

26 **(c)** Not later than three (3) days (including Saturday, Sunday, or  
27 any holiday) after the budget agency revises an estimate of state  
28 revenue distributed under subsection (a) or (b), the budget agency  
29 shall submit in an electronic format under IC 5-14-6 to the  
30 executive director of the legislative services agency a report that  
31 includes at least the following information:

32 (1) The revised estimated state revenue for the state fiscal  
33 years affected by the report.

34 (2) The supporting data and calculations necessary for a  
35 person to independently verify the manner in which the  
36 revised estimates of state revenue described in subdivision (1)  
37 were determined.

38 **Sec. 9. (a)** The budget agency shall compute the dollar amount  
39 of the total of general appropriations from the state general fund  
40 and the property tax replacement fund for each state fiscal year for  
41 which an appropriation is made or being considered:

42 (1) each time that a bill or a bill's conference committee  
43 report described in section 3 of this chapter is being  
44 considered for final action by the house of representatives or  
45 the senate; and

46 (2) not later than thirty (30) days after the adjournment sine  
47 die of a session of the general assembly.

(b) While the general assembly is in session, reports, submitted in an electronic format under IC 5-14-6, containing at least the total dollar amount of general appropriations must be delivered to the executive director of the legislative services agency in a format and on a schedule that allows bills and conference committee reports described in section 3 of this chapter to be printed without delay with the information required under that section.

(c) Not later than thirty-five (35) days after a session of the general assembly adjourns sine die, a report, submitted in an electronic format under IC 5-14-6, containing at least the total dollar amount of general appropriations must be delivered to the executive director of the legislative services agency. A report required by this subsection must be delivered not later than five (5) regular business days after it is computed.

**Sec. 10.** The total of general appropriations from the state general fund and the property tax replacement fund for a state fiscal year is equal to the amount determined under STEP THREE of the following formula:

**STEP ONE:** Determine the total amount that is authorized by appropriation for payment or transfer from the state general fund or the property tax replacement fund in the state fiscal year, regardless of the bill or session in which the appropriation is or is to be enacted.

**STEP TWO:** Determine the total amount included in the STEP ONE amount that is appropriated from the state general fund or the property tax replacement fund for:

(A) settlements and judgments;

(B) transfers between accounts in the state general fund, accounts in the property tax replacement fund, or the state general fund and the property tax replacement fund;

(C) the distribution of tax refunds or refundable tax credits; or

(D) any purpose to the extent that money described in section 7, STEP TWO (G)(ii) of this chapter (distribution from the federal government that may be expended without an appropriation) is to fund the appropriation.

**STEP THREE:** Subtract the STEP TWO amount from the STEP ONE amount.

**Sec. 11. (a)** The part of an appropriation that is an open ended appropriation exceeding a specific amount appropriated for a purpose is not to be considered in computing general appropriations under section 10 of this chapter.

(b) For purposes of section 10 of this chapter, a descriptive appropriation that does not authorize a specific amount for expenditure in a state fiscal year is to be estimated as the maximum amount that the budget agency estimates may be expended in the period for which the appropriation is made for purposes of the

1        **appropriation. For purposes of section 10 of this chapter, if the**  
 2        **appropriation is made for a period exceeding one (1) state fiscal**  
 3        **year and less than eleven (11) state fiscal years, the maximum**  
 4        **allowable appropriation shall be apportioned among the state fiscal**  
 5        **years by the same percentage. If the appropriation is made for**  
 6        **more than ten (10) state fiscal years, the maximum allowable**  
 7        **appropriation shall be apportioned by the same percentage over**  
 8        **the initial ten (10) state fiscal years.**

9        **(c) For purposes of section 10 of this chapter, if an**  
 10       **appropriation of a specific amount is made for a period exceeding**  
 11       **one (1) state fiscal year, fifty percent (50%) of the appropriated**  
 12       **amount is to be allocated as a general appropriation for each state**  
 13       **fiscal year in a budget period.**

14       **(d) For purposes of section 10 of this chapter, language that only**  
 15       **authorizes a person to issue bonds, enter into a loan agreement,**  
 16       **enter into a lease, or enter into another agreement shall not be**  
 17       **treated as an appropriation unless the general assembly otherwise**  
 18       **appropriates money to pay for or to repay the authorized**  
 19       **obligations.**

20       **(e) For purposes of complying with section 3 of this chapter but**  
 21       **not section 2 of this chapter, only appropriations that:**

22            **(1) have been enacted into law;**

23            **(2) are contained in a bill or a bill's conference committee**  
 24            **report in which appropriation surplus or deficit is to be**  
 25            **printed;**

26            **(3) were previously passed by both houses of the general**  
 27            **assembly in the same session as a bill or a bill's conference**  
 28            **committee report in which appropriation surplus or deficit is**  
 29            **to be printed; or**

30            **(4) are contained in any other bill that by rule of the house of**  
 31            **representatives or the senate must be considered in complying**  
 32            **with section 3 of this chapter;**

33        **shall be considered in computing the total of general**  
 34        **appropriations under section 10 of this chapter.**

35        **SECTION 167. IC 4-10-18-1 IS AMENDED TO READ AS**  
 36        **FOLLOWS [EFFECTIVE JUNE 15, 2007]: Sec. 1. As used in this**  
 37        **chapter:**

38            **"Adjusted personal income" for a particular calendar year means the**  
 39            **adjusted state personal income for that year as determined under**  
 40            **section 3(b) of this chapter.**

41            **"Annual growth rate" for a particular calendar year means the**  
 42            **percentage change in adjusted personal income for the particular**  
 43            **calendar year as determined under section 3(c) of this chapter.**

44            **"Budget director" refers to the director of the budget agency**  
 45            **established under IC 4-12-1.**

46            **"Costs" means the cost of construction, equipment, land, property**  
 47            **rights (including leasehold interests), easements, franchises, leases,**

1 financing charges, interest costs during and for a reasonable period  
 2 after construction, architectural, engineering, legal, and other  
 3 consulting or advisory services, plans, specifications, surveys, cost  
 4 estimates, and other costs or expenses necessary or incident to the  
 5 acquisition, development, construction, financing, and operating of an  
 6 economic growth initiative.

7 "Current calendar year" means a calendar year during which a  
 8 transfer to or from the fund is initially determined under sections 4 and  
 9 5 of this chapter.

10 "Economic growth initiative" means:

- 11 (1) the construction, extension, or completion of sewerlines,  
 12 waterlines, streets, sidewalks, bridges, roads, highways, public  
 13 ways, and any other infrastructure improvements;
- 14 (2) the leasing or purchase of land and any site improvements to  
 15 land;
- 16 (3) the construction, leasing, or purchase of buildings or other  
 17 structures;
- 18 (4) the rehabilitation, renovation, or enlargement of buildings or  
 19 other structures;
- 20 (5) the leasing or purchase of machinery, equipment, or  
 21 furnishings; or
- 22 (6) the training or retraining of employees whose jobs will be  
 23 created or retained as a result of the initiative.

24 "Fund" means the counter-cyclical revenue and economic  
 25 stabilization fund established under this chapter.

26 "General fund revenue" means all general purpose tax revenue and  
 27 other unrestricted general purpose revenue of the state, including  
 28 federal revenue sharing monies, credited to the:

- 29 (1) state general fund; **or**
- 30 (2) **property tax replacement fund;**

31 and from which appropriations may be made. The term "general fund  
 32 revenue" does not include revenue held in the reserve for tuition  
 33 support under IC 4-12-1-12.

34 "Implicit price deflator for the gross national product" means the  
 35 implicit price deflator for the gross national product, or its closest  
 36 equivalent, which is available from the United States Bureau of  
 37 Economic Analysis.

38 "Political subdivision" has the meaning set forth in IC 36-1-2-13.

39 "Qualified economic growth initiative" means an economic growth  
 40 initiative that is:

- 41 (1) proposed by or on behalf of a political subdivision to promote  
 42 economic growth, including the creation or retention of jobs or  
 43 the infrastructure necessary to create or retain jobs;
- 44 (2) supported by a financing plan by or on behalf of the political  
 45 subdivision in an amount at least equal to the proposed amount of  
 46 the grant under section 15 of this chapter; and

(3) estimated to cost not less than twelve million five hundred thousand dollars (\$12,500,000).

"State personal income" means state personal income as that term is defined by the Bureau of Economic Analysis of the United States Department of Commerce or its successor agency.

"Total state general fund revenue" for a particular state fiscal year means the amount of that revenue for the particular state fiscal year as finally determined by the auditor of state.

"Transfer payments" means transfer payments as that term is defined by the Bureau of Economic Analysis of the United States Department of Commerce or its successor agency.

SECTION 168. IC 4-10-18-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 4. (a) If the annual growth rate for the calendar year preceding the current calendar year exceeds two percent (2%), there is appropriated to the fund from the state general fund, for the state fiscal year beginning in the current calendar year, an amount equal to the product of:

(1) the total state general fund revenues for the state fiscal year ending in the current calendar year; multiplied by

(2) the remainder of:

(A) the annual growth rate for the calendar year preceding the current calendar year; minus

(B) two percent (2%).

(b) If the annual growth rate for the calendar year immediately preceding the current calendar year is less than a negative two percent (-2%), there is appropriated from the fund to the state general fund **and the property tax replacement fund**, for the state fiscal year beginning in the current calendar year, an amount equal to the product of:

(1) the total state general fund revenues for the state fiscal year ending in the current calendar year; multiplied by

(2) negative one (-1); and further multiplied by

(3) the remainder of:

(A) the annual growth rate for the calendar year preceding the current calendar year; minus

(B) negative two percent (-2%).

**The amount appropriated to each fund is proportional to the amount needed to balance each fund as described in section 9 of this chapter.**

SECTION 169. IC 4-10-18-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 5. (a) As soon as the auditor of state makes a final determination of the amount of total state general fund revenues for a particular state fiscal year, ~~he~~ **the auditor** shall certify that amount to the budget director.

(b) As soon as possible after receiving the certification from the auditor of state under subsection (a), the budget director shall determine the amount, if any, that is appropriated into or out of the

fund under section 4 of this chapter. If an appropriation is made into the fund under section 4 of this chapter, the budget director shall immediately certify that amount to the treasurer of state. If an appropriation is made out of the fund under section 4 of this chapter, the budget director shall certify to the treasurer of state an amount equal to the part of the appropriation, if any, by which the general fund general operating budget **and the noncapital budget payable from the property tax replacement fund** for the state fiscal year for which the appropriation is made, exceeds the budget director's estimate of the total general fund revenues for that same state fiscal year. The budget director shall make the certification or certifications of money to be transferred out of the fund at the time or times that ~~he~~ **the budget director** determines the general fund general operating budget **and the noncapital budget payable from the property tax replacement fund** would exceed the total estimated state general fund revenues.

(c) Immediately upon receiving a certification from the budget director under subsection (b), the auditor of state and treasurer of state shall make the appropriate transfer into or out of the fund.

(d) Any amount, which is appropriated out of the fund under section 4 of this chapter, but which has not been transferred out of the fund under this section at the end of the state fiscal year for which the appropriation is made, shall revert to the fund.

SECTION 170. IC 4-10-18-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JUNE 15, 2007]: Sec. 8. (a) Except as provided in subsection (b), if the balance, at the end of a state fiscal year, in the fund exceeds ~~seven~~ **ten** percent (~~7%~~) (**10%**) of the total state general fund revenues for that state fiscal year, the excess is appropriated from the fund to the property tax replacement fund established under IC 6-1.1-21. The auditor of state and the treasurer of state shall transfer the amount so appropriated from the fund to the property tax replacement fund during the immediately following state fiscal year.

(b) If an appropriation is made out of the fund under section 4 of this chapter for a state fiscal year during which a transfer is to be made from the fund to the property tax replacement fund, the amount of the appropriation made under subsection (a) shall be reduced by the amount of the appropriation made under section 4 of this chapter. However, the amount of the appropriation made under subsection (a) may not be reduced to less than zero (0).

SECTION 171. IC 4-10-18-9 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 9. If the total state general fund revenues for a state fiscal year, in which a transfer into the fund is made, are less than the level estimated in the budget report prepared in accord with IC 4-12-1-12(a) or (c) and the shortfall cannot be attributed to a statutory change in the tax rate, the tax base, the fee schedules, or the revenue sources from which the general fund revenue

estimate was made, there is appropriated from the fund to the state general fund an amount that may not exceed the lesser of the following two (2) amounts:

- (1) the amount that was transferred into the fund during that state fiscal year; or
- (2) the amount necessary to balance the general fund general operating budget **and the noncapital budget payable from the property tax replacement fund** for that state fiscal year.

SECTION 172. IC 4-10-21-0.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: **Sec. 0.5. As used in this chapter, "general expenditures" refers to an expenditure from the state general fund or the property tax replacement fund that is authorized by a general appropriation subject to IC 2-2.1-4, other than any part of an appropriation excluded under IC 2-2.1-4-5.**

SECTION 173. IC 4-10-21-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: **Sec. 1. As used in this chapter, "state spending cap" refers:**

- (1) for state fiscal years ending before July 1, 2009, to the state spending cap determined under section 2 of this chapter; and**
- (2) for state fiscal years beginning after June 30, 2009, to the maximum amount that may be appropriated for general appropriations in a state fiscal year under IC 2-2.1-4.**

SECTION 174. IC 4-10-21-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: **Sec. 2. (a) For the state fiscal year beginning July 1, 2003, and ending June 30, 2004, the state spending cap is equal to the result determined under STEP THREE of the following formula:**

**STEP ONE: Determine the sum of the total of the appropriations made from the state general fund and the property tax replacement fund (including continuing appropriations) for the state fiscal year beginning July 1, 2002, and ending June 30, 2003.**

**STEP TWO: Subtract from the STEP ONE result two hundred forty-three million dollars (\$243,000,000), which is the amount of certain reversions made by state agencies.**

**STEP THREE: Multiply the STEP TWO result by one and thirty-five thousandths (1.035).**

**(b) For the state fiscal year beginning July 1, 2004, and ending June 30, 2005, the state spending cap is equal to the product of the result determined under subsection (a) multiplied by one and thirty-five thousandths (1.035).**

**(c) (a) The state spending cap for a state fiscal year beginning after June 30, 2005, is equal to the product of the state spending growth quotient for the state fiscal year determined under section 3 of this chapter multiplied by the state spending cap for the immediately**

1 preceding state fiscal year.

2 ~~(d)~~ **(b)** The state spending cap imposed under this section is  
3 increased in the initial state fiscal year in which the state receives  
4 additional revenue for deposit in the state general fund or property tax  
5 replacement fund as a result of the enactment of a law that:

- 6 (1) establishes a new tax or fee after June 30, 2002;
- 7 (2) increases the rate of a previously enacted tax or fee after June  
8 30, 2002; or
- 9 (3) reduces or eliminates an exemption, a deduction, or a credit  
10 against a previously enacted tax or fee after June 30, 2002.

11 The amount of the increase is equal to the average revenue that the  
12 budget agency estimates will be raised by the legislative action in the  
13 initial two (2) full state fiscal years in which the legislative change is  
14 in effect.

15 ~~(e)~~ **(c)** The state spending cap imposed under this section is  
16 decreased in the initial state fiscal year in which the state is affected by  
17 a decrease in revenue deposited in the state general fund or property  
18 tax replacement fund as the result of the enactment of a law that:

- 19 (1) eliminates a tax or fee after June 30, 2002;
- 20 (2) eliminates any part of a tax rate or fee after June 30, 2002; or
- 21 (3) establishes or increases an exemption, a deduction, or a credit  
22 against a tax or fee after June 30, 2002.

23 The amount of the decrease is equal to the average revenue that the  
24 budget agency estimates will be lost as a result of the legislative action  
25 in the initial two (2) full state fiscal years in which the legislative  
26 change is in effect.

27 **(d) This section expires July 1, 2009.**

28 SECTION 175. IC 4-10-21-5 IS AMENDED TO READ AS  
29 FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 5. (a) The maximum  
30 total amount that may be expended in a state fiscal year from the state  
31 general fund, the property tax replacement fund, and the  
32 counter-cyclical revenue and economic stabilization fund is the least of  
33 the following:

- 34 (1) Subject to sections 6 and 7 of this chapter, the state spending  
35 cap for the state fiscal year.
- 36 (2) The amount appropriated by the general assembly from the  
37 state general fund, the property tax replacement fund, and the  
38 counter-cyclical revenue and economic stabilization fund.
- 39 (3) The amount of money available in the state general fund, the  
40 property tax replacement fund, and the counter-cyclical revenue  
41 and economic stabilization fund to pay expenditures.

42 (b) Subject to sections 6 and 7 of this chapter, if the state spending  
43 cap for the state fiscal year is less than the amount appropriated by the  
44 general assembly in the state fiscal year from the state general fund, the  
45 property tax replacement fund, and the counter-cyclical revenue and  
46 economic stabilization fund, the budget agency shall reduce the

amounts available for expenditure from the state general fund, the property tax replacement fund, and the counter-cyclical revenue and economic stabilization fund in the state fiscal year by using the procedures in IC 4-13-2-18.

**(c) This section expires July 1, 2009.**

SECTION 176. IC 4-10-21-5.1 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: **Sec. 5.1. (a) After June 30, 2009, the maximum total amount that may be expended for general expenditures in a state fiscal year may not exceed the maximum allowable expenditure imposed under this chapter and the maximum allowable appropriation under IC 2-2.1-4.**

**(b) If the state spending cap for the state fiscal year is less than the amount appropriated by the general assembly for general expenditures in the state fiscal year, when all open ended appropriations and nonspecific descriptive appropriations are considered, the budget agency shall reduce the amounts available for general expenditures to avoid a total amount of general expenditures that exceeds the state spending cap by using the procedures set forth in IC 4-13-2-18.**

SECTION 177. IC 4-10-21-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: **Sec. 6. (a)** The following expenditures that would otherwise be subject to this chapter shall be excluded from all computations and determinations related to a state spending cap:

(1) Expenditures derived from money deposited in the state general fund, the property tax replacement fund, and the counter-cyclical revenue and economic stabilization fund from any of the following:

- (A) Gifts.
- (B) Federal funds.
- (C) Dedicated funds.
- (D) Intergovernmental transfers.
- (E) Damage awards.
- (F) Property sales.

(2) Expenditures for any of the following:

- (A) Transfers of money among the state general fund, the property tax replacement fund, and the counter-cyclical revenue and economic stabilization fund.
- (B) Reserve fund deposits.
- (C) Refunds of intergovernmental transfers.
- (D) Payment of judgments against the state and settlement payments made to avoid a judgment against the state, other than a judgment or settlement payment for failure to pay a contractual obligation or a personnel expenditure.
- (E) Distributions or allocations of state tax revenues to a unit

of local government under IC 36-7-13, IC 36-7-26, IC 36-7-27, IC 36-7-31, or IC 36-7-31.3.

(F) Motor vehicle excise tax replacement payments that are derived from amounts transferred to the state general fund from the lottery and gaming surplus account of the build Indiana fund.

(G) Distributions of state tax revenues collected under IC 7.1 that are payable to cities and towns.

**(b) This section expires July 1, 2009.**

SECTION 178. IC 4-10-21-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 7. (a) An appropriation otherwise subject to the state spending cap limitation imposed by section 5 of this chapter shall be treated as exempt from the state spending cap limitation only if the general assembly specifically exempts the appropriation from the state spending cap in clear and unambiguous language contained in the bill making the appropriation.

(b) The following language shall be treated as meeting the requirements of subsection (a):

"The general assembly waives the state spending cap limitation imposed by IC 4-10-21-5 for the state fiscal year beginning July 1, (insert the applicable year), and ending June 30, (insert the applicable year), for the following appropriation: (insert the language of the appropriation). Notwithstanding IC 4-10-21-5(a)(1), the budget agency may allot appropriations for the appropriation without making any reduction under IC 4-10-21-5(b)."

(c) Language in a bill such as "Notwithstanding IC 4-10-21" or "IC 4-10-21 does not apply to this appropriation" shall not be treated as meeting the requirements of subsection (a). The budget agency may consider the language described in this subsection or other language that does not meet the requirements of subsection (a) only in determining which appropriations to make available for expenditure under section 5(b) of this chapter.

**(d) This section expires July 1, 2009.**

SECTION 179. IC 4-10-21-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 8. **(a)** Not earlier than December 1 and not later than the first session day of the general assembly after December 31 of each even-numbered year, the budget agency shall submit a report in an electronic format under IC 5-14-6 to the executive director of the legislative services agency that includes at least the following information:

(1) The state spending cap for each of the state fiscal years in the immediately following biennial budget period.

(2) The supporting data and calculations necessary for a person to independently verify the manner in which the state spending caps described in subdivision (1) were determined.

1           **(b) This section expires July 1, 2009.**

2           SECTION 180. IC 4-12-1-8.5 IS ADDED TO THE INDIANA  
3 CODE AS A NEW SECTION TO READ AS FOLLOWS  
4 [EFFECTIVE JULY 1, 2007]: **Sec. 8.5. (a) The statement required**  
5 **under section 9 of this chapter in the second part of a budget**  
6 **report (proposed anticipated income) must be based on a forecast**  
7 **that presents, to the best of the budget director's knowledge and**  
8 **belief, the expected income that will be available to meet the**  
9 **appropriations in:**

10           **(1) each state fiscal year in the budget period for which the**  
11 **budget report is prepared; and**

12           **(2) each calendar year containing any part of the budget**  
13 **period.**

14           **(b) The forecast prepared under this section shall be updated at**  
15 **least semiannually. During odd-numbered years, the forecast**  
16 **prepared under subsection (a) shall be updated before the last**  
17 **regular business day immediately preceding April 11 in the year.**

18           **(c) A forecast prepared under this section shall be expressed in**  
19 **specific monetary amounts as a single point estimate of forecasted**  
20 **income. The forecast must contain the information necessary to**  
21 **compute the expenditure limitations in IC 2-2.1-4. Due professional**  
22 **care must be used in preparing the forecast. The underlying**  
23 **assumptions used must provide a reasonably objective basis for the**  
24 **forecast and be appropriate for the circumstances. Significant**  
25 **underlying assumptions must be disclosed in the forecast report.**

26           **(d) The budget director shall submit a forecast prepared under**  
27 **this section, including each updated version of the forecast, in an**  
28 **electronic format under IC 5-14-6 to the executive director of the**  
29 **legislative services agency not later than two (2) regular business**  
30 **days after a forecast is completed.**

31           SECTION 181. [EFFECTIVE JUNE 15, 2007] **(a) IC 4-10-18-1, as**  
32 **amended by this act, applies to deposits in the counter-cyclical**  
33 **revenue and economic stabilization fund made after June 14, 2007.**

34           **(b) IC 4-10-18-4, IC 4-10-18-5, and IC 4-10-18-9, all as amended**  
35 **by this act, apply only to distributions from the counter-cyclical**  
36 **revenue and economic stabilization fund after June 30, 2007.**

37           SECTION 182. [EFFECTIVE JUNE 15, 2007] **IC 4-10-18-8, as**  
38 **amended by this act, applies to state fiscal years ending after June**

1     **30, 2007.**  
2     SECTION 183. THE FOLLOWING ARE REPEALED  
3     [EFFECTIVE JULY 1, 2007]: IC 4-10-21-3; IC 4-10-21-4."  
4     Renumber all SECTIONS consecutively.  
       (Reference is to HB 1001 as printed February 19, 2007.)
